

# Contract Award

MX-15i

## L-3 WESCAM selected by the Spanish Army Disaster Response Unit (UME)

MX-15i multi-sensor EO/IR imaging systems with:

- 4 Field-of-View IR
- Color Day / Low Light Camera
- Electronics unit integrated into turret for 25% weight savings
- Solid State IMU-Inside technology provides maximum payload stability

### Dual channel Day/Night Spotter™

- 1000mm shared lens optic
- Identify subjects in very low light conditions

### Laser RangeFinder

- Establishes distance to target, and increases accuracy of GEO-Location

### MX-GEO Gen. 3

- GEO-Pointing, GEO-Location, GEO-Focus, GEO-Tracking
- AVGT: Combines Auto Video Tracking & GEO-Tracking

The MX-15i will operate from the EC135 and Cougar AS 532AL to provide long-range surveillance, detection and intelligence data during emergency situations.
